Complaints by product group

Product group	Complaints opened	Share of total
Banking and credit cards	883,247	50.3%
Insurance & pure protection	675,529	38.4%
Decumulation & pensions	80,761	4.6%
Home finance	64,382	3.7%
Investments	53,554	3.0%

Key findings

1. Banking and credit cards drive half of all complaints: 883,247 of 1.76 million opened across 226 firms.

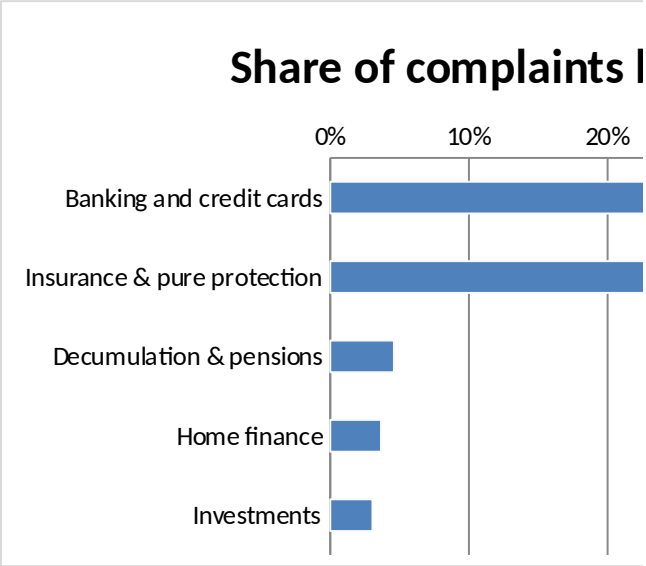

2. Volume is not the full picture. Lloyds Bank received the most banking complaints, but adjusted for size, lowest rate of the 21 largest banking firms at 1.27 per 1,000 accounts, against 9.62 at Vanquis Bank.

3. Firms that close more complaints within 3 days also uphold more of them (correlation 0.64), suggesting service errors the firm accepts straight away.

Recommendation: compare firms by complaints per 1,000 accounts rather than raw volume, and run root complaints to stop the same issues repeating.
